About CASL
Capital Area Soccer League (CASL) is a 501c3 non-profit organization that has been providing the highest quality instructional and competitive soccer opportunities to youth in the greater Wake County area since 1974. Through CASL's Scholarship Fund, more than 500 youth are provided the opportunity to play soccer with CASL at various divisions of play including recreation, challenge, and classic each year. Without this financial assistance, these youth and their families would not be able to play soccer at CASL. Through the CASL Scholarship Raffle, CASL can continue to open up the game of soccer to youth, regardless of their economic constraints.
