Taylor Otto Joins U.S. U17 Women's National Team in Jamaica

CASL's **Taylor Otto** ('96 CASL Ladies ECNL) is one of 20 players from across the nation who earned a spot on the **U17 U.S. Women's National Team** Roster for the CONCACAF Women's Championships. She will help the U.S. U17 team battle for two qualification spots at the FIFA U-17 Women's World Cup, which will be held in Costa Rica in 2014. Taylor has faced her own personal battles this year. Nearly one year ago, she suffered an ACL tear, and within a year, she went from not being sure she would be back to soccer to celebrating the anniversary of her injury in US National team colors. CASL's ECNL Director, Sean Nahas, said "Taylor now represents one of our CASL players over the last two U17 World Cups who have made the final rosters. This accomplishment as well as those of many other CASL players, coaches and teams proves that CASL is one of the best girls' soccer programs in the country. We couldn't be any prouder of Taylor and the club for this great accomplishment. "CASL's Director of Soccer, Rusty Scarborough, echoed these feelings saying, "CASL is excited that we have another player participating at the National level and representing our country and club. Taylor has worked so hard to prepare herself for this opportunity. Her drive and commitment to the game and CASL brings a sense of satisfaction to all of the staff. Taylor has had some very accomplished coaches work with her over the years, primarily Sean Nahas who has coached her for several years. We wish her the very best and go USA!!!" You can keep up with Taylor and the rest of the U17 National team through **FREE live streaming from foxsoccer2go.** The first game is at 7pm on Thursday, October 31.

For one Facebook Like: You Will Support the Pretty in Pink Foundation

You have probably seen ARS / Rescue Rooter mentioned in a lot of CASL communication this year. They are an active, new sponsor who understands the value of being a partner in improving the quality of life in Wake County. ARS / Rescue Rooter is running a Facebook campaign through November 30: For every Facebook like they gain from now until then, ARS / Rescue Rooter will donate $1 to the Pretty in Pink Foundation®, a local organization that allows under-insured breast cancer patients to receive the life-saving medical treatment they need. This is the simplest way to show your support to one of our corporate partners who helps us continue to be the best full-service youth soccer club in the state and nation. So, go now – CLICK HERE and go "like" their page.

Team Name: U12 CASL Storm
The CASL Storm served as ball-girls at the Duke vs. Pittsburgh women's soccer game this past Sunday. The team was also featured in a halftime small-sided game. They met players, received autographs and had pictures taken – one with former CASL players Christina Gibbons (Duke) and Taylor Francis (Pittsburgh).
