DISCOUNT TICKETS OFFERED TO CASL MEMBERSHIP: RESERVE YOUR SEATS FOR WEDNESDAY'S GAME

The Carolina RailHawks and CASL partnership offers CASL players and their families the opportunity to purchase discount tickets in the CASL Tower – home of the best seats in the stadium! Don't miss the RailHawks as they take on the MLS' Chivas USA on Saturday in their quest to win the Lamar Hunt U.S. Open Cup. The RailHawks defeated the LA Galaxy in May in front of a record crowd, and if they win in the quarterfinals, they will travel to take on the winner of Real Salt Lake vs. Charleston Battery. The RailHawks hold the number one seed in league standings after defeating Tampa Bay this weekend.

CASL COMMUNITY

CASL has been part of the capital area community for nearly 40 years. It is our goal to give back to the community that has supported us for so many years. HEART is one way that CASL provides soccer opportunities for underserved populations that might not otherwise be able to play. The last clinic was held this past weekend. Participants were exposed to instructional coaching time and scrimmages.

"...our son Logan who has Autism wanted to play soccer so badly...it was so hard for my husband and I to watch him want something so badly but could not be a part of it. You have made Logan happy. He calls HEART "MY" soccer." – Montanye Family

HEART is designed for youth with mental disabilities and provides them the opportunity to play soccer.

Name: Katharine Kelley

CASL Affiliation: '84 Elite Alumni 2002

Current Affiliation: CASL Director of Relations

It's a little strange to spotlight myself, but I wanted to share with you all that I am coming full circle with CASL as the new Director of Relations. I started my playing

days with CASL in the early 90's and had an amazing experience as a player with the '84 CASL Elite (aka the Vipers back when classic teams named themselves). After graduating from Furman University, where I represented the Paladins on the field for four years, I came back to Raleigh and coached CASL summer camps and U-11 teams. I'm excited to work with the organization that had a positive impact on my personal and soccer development. I will be staying in touch with all of you moving forward keeping you in the loop and up to date on the most important CASL news.
