Hamilton Sportsmanship Award Night at the RailHawks

On Saturday, September 14 CASL staff, coaches, players, parents and families will be on hand to recognize and applaud some very special CASL players from the 2012-13 season who are recipients of [CASL's Hamilton Sportsmanship Award](#). These players will be recognized during halftime of the RailHawks game for their displays of sportsmanship through respect, a positive attitude, integrity, teamwork, and being a role model. Many of these award recipients were recognized at an earlier game in the RailHawks' season, but this is another opportunity for those players and families who were not able to join us then to be part of this special recognition. Each Hamilton Sportsmanship Award winner who did not come to the last Hamilton Night can reserve a **FREE ticket** to the game, will be recognized during halftime, will receive a **special car magnet**, and a poster with their name on it. Hamilton Award recipients who came to the last Hamilton Night in May are also eligible to receive a FREE magnet and be recognized at halftime, but they will not get a free ticket to the game. All families and past Hamilton Award winners are welcome purchase discounted tickets in the CASL Tower to watch the game. While we will be celebrating Hamilton Sportsmanship Award recipients at the game, all CASL families are welcome to join us in the CASL Tower – the best seats in the house – with tickets starting as low as \$9.

Names: Wake Forest United Blue (U-13) Riverside Summer Shootout Champs

Wake Forest United Blue took the championship title for the Boys U13 Black Division at the Riverside Summer Shootout in Asheville, NC August 24-25. The CASL Challenge team finished undefeated,

facing three Classic teams in preliminary matches. In group play, they recorded two shutouts. In the finals they defeated another Classic team, the YCVSC Eagles, 1-0. WF United Blue's Will Glover, assisted by Louka Messier, scored in the first half setting the tone of the game. The game was very physical and the team's defense was able to shut down numerous attacks by the opposing team. They won the cup with an

undefeated record, allowing only one goal the entire tournament. Congratulations!
