CASL Shockers (U16G) Volunteer at Food Bank of Central and Eastern NC

We love to hear all about the wonderful things our teams are doing on and off the field. As many of you know, CASL is celebrating its 40th Anniversary this year, and we are showcasing ways that our club demonstrates our mission through various soccer activities. The U16G Shockers, a recreation team that has been together for more than six years, kicked off the spring season with a worth team building activity: volunteering at the Food Bank of Central and Eastern NC last Monday (Feb. 10). The girls sorted food for almost 1500 meals during their two hour volunteer block. Coach Steven Goldsmith, who has volunteered as the girls' coach for the past seven years, organized the effort and said, "I think this will be a good way to get the girls working together again off the field, and will give them some important life experiences that I hope will make them better people. If we can have a great team experience and help feed people in our community who need assistance, that's a great afternoon in my book." The team is pictured (above) with Kate, who represents the children who need food assistance in the community. [CLICK HERE](#) to learn more about the food needs of our community. Thanks to Coach Goldsmith and the U16 Shockers for being great ambassadors for CASL and our community.
