

Capital Area Soccer League Hamilton Sportsmanship Award

CASL is proud to announce the Hamilton Sportsmanship Award in honor of Dr. Pat B. Hamilton, a "founding father" of CASL and its forerunner, the Raleigh Soccer League. Dr. Hamilton, a Raleigh resident, was inducted into the NC Soccer Hall of Fame in 2000, and received the Pioneer of the Game Award for his significant role in starting organized youth soccer in North Carolina in the early 1970's. He was also instrumental in the development of the WRAL Soccer Center and was a co-founder of the NC Youth Soccer League. CASL congratulates the first recipients of this annual award for their exemplary sportsmanship on the soccer field.
