

The Capital Area Soccer League (CASL) is pleased to announce its new Management Team. Charlie Slagle will continue to be the CEO (Chief Executive Officer). Charlie is concluding his ninth year, as CEO, with CASL after coaching the men's soccer program at Davidson College for 21 years prior to coming to the Triangle.

The next tier of the organization will have two positions that, combined, will handle all aspects of CASL's Playing Divisions and Business Operations. Those positions are the Director of Coaching (DOC) and the Chief Operating Officer (COO) with added duties of Marketing Director.

Rusty Scarborough will fill the role of DOC which became open with the departure of long time DOC, Jay Howell, to become the Executive Director of Birmingham United Soccer Association. Rusty is in his sixth year with CASL and has been the Director of Training and the Director of Classic Soccer during his tenure. Before coming to CASL, Rusty worked at Greensboro Youth Soccer Association and was the head coach at Greensboro College and assistant at UNC Greensboro.

Michael Milazzo, who is in his eleventh year with CASL, will be the COO and Marketing Director. Michael's tenure has bridged both the business and soccer sides of CASL in his previous roles of Director of Classic and Director of Soccer Operations. This newly created position will focus mainly on the business side of the organization.

The cooperative efforts of the Management Team will be responsible for all aspects of CASL; including Playing Divisions, Tournaments, Facilities, Developmental and Community Outreach Programs, Sponsorship and Public Relations.

The Capital Area Soccer League was incorporated in 1974 as a 501 (C) (3) non-profit. The mission of the Capital Area Soccer League (CASL) is to provide instructional and competitive youth soccer opportunities that enhance character, community and love of the game of soccer. Integrated in this is the building of self-esteem, self-confidence, team work, respect for self and others, and all the inherent benefits of physical exercise.
